PSC APPROVES CERTIFICATE ALLOWING TRIGEN-KANSAS CITY ENERGY TO EXPAND SERVICE TERRITORY

JEFFERSON CITY---The Missouri Public Service Commission has granted a certificate of convenience and necessity to Trigen-Kansas City Energy Corporation for authority to provide steam service to an expanded area adjacent to its present service area.

The certificate is conditioned upon Truman Medical Center funding the cost of construction for the proposed extension of Trigen's facilities to serve Truman. Trigen and Truman Medical Center must file a written agreement setting forth the details of their construction and funding plans for the project, as well as their agreement regarding the mechanism for any refund to Truman for advancing construction costs. Truman Medical Center is the only customer in the expanded service area.

Trigen-Kansas City Energy Corporation serves approximately 65 steam customers in Kansas City, Missouri.

Background: On January 10, 2006, Trigen-Kansas City Energy Corp. filed an application for a certificate of convenience and necessity seeking authority to expand its service area in Kansas City, Missouri.
